

APCS 2021

The Asia Pacific Computer Systems Conference

Kahului, Maui Island, United States

March 11-14, 2021

www.apcs.net

CALL FOR PAPERS

❖ Proceedings

Select papers from the conference will be published by Springer as a proceedings book volume, and the content will be submitted for major indexing.

❖ Organizing Committee

Advisory Chair

Mohsen Guizani, Qatar University, Doha, Qatar (IEEE Fellow)

Conference Chair

Anu Gokhale, Illinois State University, United States

Conference Co-chair

Debasis Bhattacharya, University of Hawaii Maui College, USA

Program Chairs

Sen Zhang, State University of New York College at Oneonta, USA

Sule Yildirim Yayilgan, Norwegian University of Science and Technology, Norway

Emanuel Grant, University of North Dakota, United States

Program Co-chairs

Jenny Li, Kean University, USA

Alexander Zipf, Heidelberg University, Germany

Special Session Chair

Don Zinger, Northern Illinois University, USA

Local Chair

Shawon Rahman, University of Hawaii-Hilo, USA

❖ Submission

System:

<http://confsys.iconf.org/submission/apcs2021>

Template:

<http://www.apcs.net/style/download/splnproc1703.zip>

❖ Important Dates

Submission deadline: Dec 30th, 2020

Notification to authors: Jan 20th, 2021

❖ Contact

Ms. Ailsa Lim

apcs_conf@163.com

❖ Topics

- Language support and runtime systems
- Verification, validation, and testing
- Systems security and privacy
- Database systems and data analytics frameworks
- Virtualization and virtualized systems
- Mobile and pervasive systems
- Bio-inspired AI
- Communication, electronics and power systems
- Tracing, analysis, transformation of systems
- Model-driven development
- Cognitive computing
- Parallelism, concurrency, and multicore systems
- Human-Robot interactions
- Reverse engineering and refactoring
- Big data management
- Ambient intelligence, pervasive computing
